 - Dual side open (doors on both sides) for high side Part #900
 - Extended Twin 80" long

Feet: Leveling nickel glides (standard) 3" Casters (wheels) Part #120

Transfer height:

24 inch (standard) 21.5 inch (Standard side only) Part #510 30 inch Part #500

Do you need clearance for a floor lift? NO YES 5 1/2" YES 6 1/2"

Accessories:

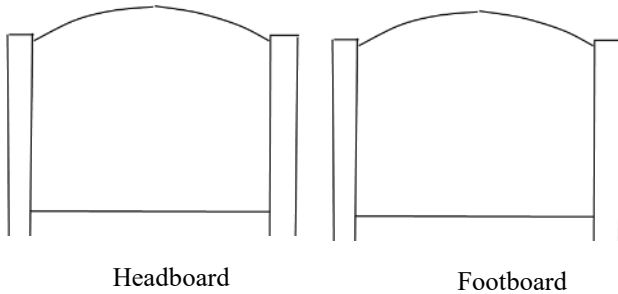

- IV Pole and mounting bracket Part #150
- Clear view window in headboard Part #825
- Clear view window in footboard Part #826
- Clear view back panel for Hi Side beds Part #800
- Foam pad lining inside of bed (Twin) Part #700

NOTE: once pads are added the user must ALWAYS have pads or unsafe gap will occur. Similarly, pads cannot be added without extensive frame modification after bed is built because frame is oversized to accommodate. Plan accordingly.
